Snakepit

This is one Snake Pit you'll be happy to lounge about in. You can eat fine food, prepared by resident chef Mitsuo Shitanda, drink from a wide selection of wines, cocktails and beers, and be entertained with a great selection of music. Snakepit is open until 2am most nights, so take your time, eat, drink and be very merry.

Double Happiness

East meets west in cosy, stylish surrounds. A modern panelled entry contrasts with the brick and ornate fabric in the lounge area to create an ambient, oriental atmosphere. Drinks range from traditional western martinis through to Asian-themed cocktails, including the Great Leap Forward – a potent mix of ginger, longan, vodka and fresh lime. Asian delicacies adorn the menu.
